To Whom It May Concern:

On behalf of Golden Plains Unified School District, I am filing an appeal with the FCC regarding our School and Libraries Appeal #75361.

Funding request number (FRN) was denied on the ground that I did not provide the necessary (RAL Corrections) requested by Mr. Kanyuck, William.

Facts: I did provide all the information Mr. Kanyuck, William requested via email, since I was new to the SLD EPC Portal, I did not have the knowledge to upload the required documents, therefore, I emailed all the necessary required documents to Kanyuck, William within the required time line.

I attempted to reach Mr. Kanyuk via telephone and email to try to resolve the issue but I have not received any responses.

The email chain below will support the fact that I have provided the information and made several efforts to resolve the issue

Based on the facts I am providing you, I am asking for a consideration of reviewing our appeal

Please do not hesitate to contact me should you have any questions

Good Morning Bill

I have not heard back from you since I emailed you the documents you requested (Voice1718 - 171000922) Please let me know if you have any addiitonal questions

Moe Zwebti - Golden Plains USD

I did not provide all the information he requested via email

FRN was denied based on the following "The applicant did not submit any RAL corrections" I was asked to remove data charges from the verizon wireless invoices. Since Verizon invoices do not list the data charges separatley, I was asked by Mr Kanyuck, William to upload the invoice. I was not able to upload it at first, but did email the Verizon invoice to Mr. Kanyuck, William on July 22, 2017, and was finally able to upload the invoice few weeks later. Therefore, I did submit the RAL as requested. I am appealing the decision and asking for an approval. I have attached a copy of the chain of emails regarding this FRN between myself and Mr. Kanyuck, William Please do not hesitate to contact me should you have any questions Moe Zwebti - Golden Plains USD
